Generac Mobile Products LLC Limited Warranty for Mobile Generators

NOTE: ALL UNITS MUST HAVE A START-UP INSPECTION PERFORMED BY A GENERAC MOBILE PRODUCTS AUTHORIZED SERVICE DEALER

Generac Mobile Products LLC. (GMP) will, at its discretion, repair or replace any part(s) that, upon examination, inspection, and testing by GMP or a GMP Authorized Service Dealer (ASD), or branch thereof, is found to be defective under normal use and service, in accordance with the warranty schedule set forth below. Repair or replacement pursuant to this limited warranty shall not renew or extend the original warranty period. Any repaired product shall be warranted for the remaining original warranty period only. Any equipment that the purchaser/owner claims to be defective must be examined by the nearest GMP ASD, or branch thereof. It is highly recommended that scheduled maintenance, as outlined by the owner's manual and any component documentation, be performed by a GMP ASD, or branch thereof. This will verify service has been performed on the unit throughout the warranty period. This warranty is limited to and available only on Liquid-cooled units. Emissions warranty coverage, if applicable, is detailed in a separate emissions warranty statement.

Warranty Coverage: Warranty coverage starts at the ship date from Generac Mobile Products, LLC. Registration of the unit will restart the warranty period up to six months from date of shipment.
